### Confirmation of the Jean Monnet realisation

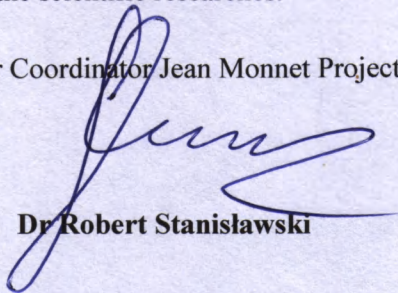

#### **Confirmation of Vasyl Zelenko staying at the Department of European Integration and International Marketing in Technical University of Lodz, Poland.**

According to the Jean Monnet project 575241-EPP-1-2016-1-UA-EPPJMO-MODULE "Economics in European Integration: Internal Challenges and External Dimension", docent Vasyl Zelenko was participated in teacher-educational program at the partner Department of European Integration and International Marketing in Technical University of Lodz from 09.01.2017 to 14.01.2017. The participation in the internship was necessary for establishing cooperation between the Department of Economic Theory of the Faculty of Financial Management and Business of Ivan Franko National University in Lviv and the Department of European Integration and International Marketing in Technical University of Lodz.

#### **Internship Program includes the following tasks:**

- 1) Project presentation "Economics in European Integration: Internal Challenges and External Dimension" was took place in order for the host country to learn about the main aspects of the project;
- 2) A discussion of the core meaning and the features of teaching the new specialized discipline included in the project was held with the members of the Department of European Integration and International Marketing;
- 3) Exchanging the experience in the holding of public events that are the part of the project; namely: public lectures, student scientific debates, round tables, conferences;
- 4) Vasyl Zelenko was attended the lessons conducted by the teachers of the Department of European Integration and International Marketing (by consent);
- 5) Visit the library in order to analyze the literature in the field of European Integration studies;
- 6) Review of the teachings and scientific works of the Department of European Integration and International Marketing for the application of best educational practices of the European Union in the Faculty of Financial Management and Business of Ivan Franko National University in Lviv;
- 7) Open lectures for students were held (6 h.). Topics of the lectures: 1) "The main objective, strategy and stages of European integration of Ukraine"; 2) "Overview of the Association Agreement between Ukraine and the European Union"; 3) " Free trade area between the EU and Ukraine"
- 8) The discussion of the prospects for further cooperation between the Department of European Integration and International Marketing in Technical University of Lodz and the Department of Economic Theory of the Faculty of Financial Management and Business of Ivan Franko National University in Lviv was held; in particular, the discussion of the joint activities and the scientific researches.
