
Academic Collaboration in the Baltic Sea Region

Partner Enclosure Template 2022

Academic Collaboration in the Baltic Sea Region is a Swedish Institute (SI) funding programme to support Swedish universities within higher education and research in their collaboration with universities in the Baltic Sea Region and the EU Eastern Partnership.

Background

This document contains a template for partner enclosures to be used along with applications in the call for project funding within *Academic Collaboration in the Baltic Sea Region*.

The partner enclosure confirms support from your university/organisation to the project application. It also offers a possibility to develop your expectations with the project, and what your contribution will be.

Instructions

The form provided in the document (see next page) should be completed, signed and sent to the Swedish main applicant. Their responsibility is to forward the partner enclosure to SI.

The partner enclosure:

- Must be signed and scanned to PDF format (SI also accepts digital signatures)
- Cannot exceed 2 pages in total (but do NOT include this instructions page)
- Only represents one (1) organisation/university per enclosure

Visiting address:	Mailing address	Contact details	The Swedish Institute (SI) is a public agency that promotes interest and trust in Sweden around the world. SI seeks to establish cooperation and lasting relations with other countries through strategic communication and exchange in the fields of culture, education, science and business. SI works closely with Swedish embassies and consulates.

Exception: non-partner participants

If the collaborating Ukrainian university/organisation is currently unable to involve and commit to the project as full partner, it is possible to include an employee as non-partner participant instead. This person would represent the interests and perspectives of the organisation, while not necessarily committing any of its resources to the project.
